**ABOUT THE SPCA OF WAKE COUNTY**

We are the oldest and largest 501(c)(3) nonprofit animal welfare organization in the Triangle area. We are a managed-admission, no-kill animal shelter and pet adoption center offering vital programming to help people and pets in the community.

In 2015, we placed **3,513** pets into homes and provided **5,398** low-cost spay/neuter surgeries. The SPCA is not supported by any national organization and relies entirely on donations – which include the funds raised through this very special evening on Sunday, October 2.

FUR BALL

And fall in love with our work all over again.

WHERE YOUR FUR BALL GIFT IS NEEDED MOST!

Today, 49 years after our founding, the SPCA of Wake County is saving more animals than ever before. In 1971, the SPCA built the first animal shelter in the region – and still today, this very special building is where each homeless animal begins their journey to a new home.

NEW this year: All Fur Ball proceeds directly support the programs and services provided through the SPCA’s Holding Center. After 45 years – and over 300,000 animals – the oldest animal shelter in the region is STILL a vital safety net for animals in our community.

WHAT KEEPS IT GOING? YOU ... and LOTS AND LOTS OF LOVE.

Pictured below: The SPCA’s first animal shelter located off Highway 70 in Garner, NC. In 2004, the SPCA opened a new Pet Adoption Center in Raleigh, but this original building, now known as the SPCA’s Holding Center is still the starting place of each pet’s second chance.

Right: STILL going! It's 2016 and the original building is still making saving animal lives possible. And they could sure use your help!
